What can I do?

There are many great ways to combine the bus with a walk, some great views and a bite to eat. Here are three of our favourites, which all start and finish in Berwick.

1. Round trip to Bamburgh

Visiting the village of Bamburgh makes a fantastic day trip. Departing at 10:07 will give you plenty of time to explore. As well as the Grace Darling Museum, there is a heritage trail to follow, the beach to walk along and of course Bamburgh Castle, where showing your bus ticket allows a 20% reduced entry price. After having something to eat or drink it's possible to catch the bus back to Berwick at 15:11 or 17:21.

2. St Abbs and Eyemouth in a day

For a cliff-top walk with stunning views, we suggest walking the third section of the Berwickshire Coastal Path between St. Abbs and Eyemouth. Start by taking the 235 service (departing from Chapel Street) to the fishing village of St. Abbs at 09:30. From here you can join the Coastal Path and walk the four miles to Eyemouth. On reaching this small port village they'll be plenty of time to

have lunch, see the harbour and visit some of its attractions before catching the bus back to Berwick at 15:35 or 18:35. Not only is this combination of walk and bus a great day out, it also means you can enjoy a drink and not have to worry about parking either.

3. Eyemouth to Berwick along the Berwickshire Coastal Path

For a longer walk why not stretch your legs on the final section of the Berwickshire Coastal Path from Eyemouth to Berwick? Catching the 235 service (from Chapel Street) at 09:30 will give you enough time to look around the fishing port of Eyemouth before walking the 12 miles back to Berwick. As Burnmouth is the only small village you'll pass through along the way it's a good idea to take lunch and some water with you.

*Buses to Holy Island

Holy Island is tidal so the bus times change daily. A hopper bus connects the mainland with Holy Island. For all the most up-to-date information, check the [AONB website](#) for links before you travel.
